### SATHAMAAMAM BHAVATHI!

Setting an innovative trend, Class of 1973-78 held " Saamashika Shasthiipoorthi " on 27 Dec, 2016 at Pragathi Resorts, Hyd. KEATS office bearers, Y S Subrahmanyam, D-Giridhar, P V Rao and A Vidyasagar were given an opportunity to brief the august gathering about the activities of the trust and future plans. P V Rao took the initiative and trouble of releasing a brochure on the occasion. There was overwhelming response with several members pledging instant support to the organisation by enlisting as Life Trustees. With this the number of Life Trustees would cross the targeted figure of 100. It was very heartening to know that more and more kith and kin of Radunos are joining the KEATS family. The spouses of ECRites volunteered their support as well and a separate group of ladies would be formed - which would definitely give a fillip to the services. The batch was also magnanimous to felicitate EC members.

KEATS wishes the batch of 1973-78 and their families good health, cheer and prosperity.

## Wedding Bells

Quite a few wedding ceremonies were performed in the KEATS family. It is fascinating to note that the two grooms and the two brides are also Life Trustees. KEATS welcomes the younger generation in anticipation of their active involvement. Radunos in large numbers graced the occasions and blessed the young couples.
