# LIFE TRUSTEES ... 2019.n.o.

**ACTIVITIES**

Separate teams comprising D Giridhar, YS Subrahmanyam, Col G Ravikumar and his daughter Adwait, G Kandabana, P Ponghalewar, K Ramesh, A Vidyasagar, PV Rao visited following orphanages (in and around Hyderabad) in Jan and Feb to have first hand information of running them : KGNMT, Samarakshana, Smiles, Gauri Service Home, Radha Kshian Home, Valdehi and Kananya Sindhu.

Serious scouting was done for rental premises at Miyapur, Kukatpally and Yegral to start an orphanage of KEATS. But later a conscious decision was taken to avoid getting involved in running any organization. Instead projects shall be identified for the next 2-3 years and floated in the general body. Based on the support received, the projects shall be taken up.

An amount of Rs.2,58,000 was donated to PURM organization towards benches for Postapartha schools in Anantapur dt. (courtesy Subrahmanyam Ganikapati of USA)

A cheque for Rs 1,00,000 was handed over to Aulambana, Kukatpally on 20th Jan ( courtesy V Jayadev and D Shalendra).

**PROJECTS**

**1. Bombai Tanda ODF**

Team comprising YS Subrahmanyam, G Jagannadha Rao, K Ramesh and A Vidyasagar visited the village on 31st March and interacted with the villagers. The 100 odd families who are using the toilets were very happy and expressed their gratitude. As nearly 7 lakhs of reimbursement was received, clearance was given for the remaining 100 odd toilets. It is aimed to get them completed by June this year. The issue of balance payments was taken up with concerned officials at Benda ZPTC office.

The villagers had two requests:

- I. Installation of an RO Plant (in the school premises) with a capacity of 5k litres per day to cater to clean drinking water for the entire village. They would take care of the maintenance and recurring expenses by collecting Rs 2 per 20 litres. An assurance was given by KEATS that it would be taken up in April.
- II. Construction of approx. 4 km road to reach to their fields which in rainy season is utmost difficult. This will be looked into by taking up with the Govt authorities or funding as a project by philanthropists.

**2. SRTE & ICEWS, Eluru**

SRTE & ICEWS is a society catering to the needs of HIV affected children. Situated in Eluru, it is being run by a dedicated couple, Mrs and Mr Ayika Raja, for the last 17 years. The society has sought KEATS' help in construction of a toilet for girls and an isolated ward for terminally ill. There was a spontaneous response to our Chairman's appeal and funds to the tune of Rs.12.00 lakhs were received in a few days. The designs are ready and the construction will commence in April (The list of donors below is not exhaustive).
