PROGRAM/EVENT

Skill development program at Gurukul School, Tadepalligudem

Dear members,

I am pleased to brief you on an important activity undertaken by us with your support.

The much cherished project under EMPOWERMENT initiative of our 3 focused areas (ie Education, Environment and Empowerment) was flagged off on 1st May at AP Balayogi Gurukul School, Tadepalligudem, West Godavari district in Andhra Pradesh.

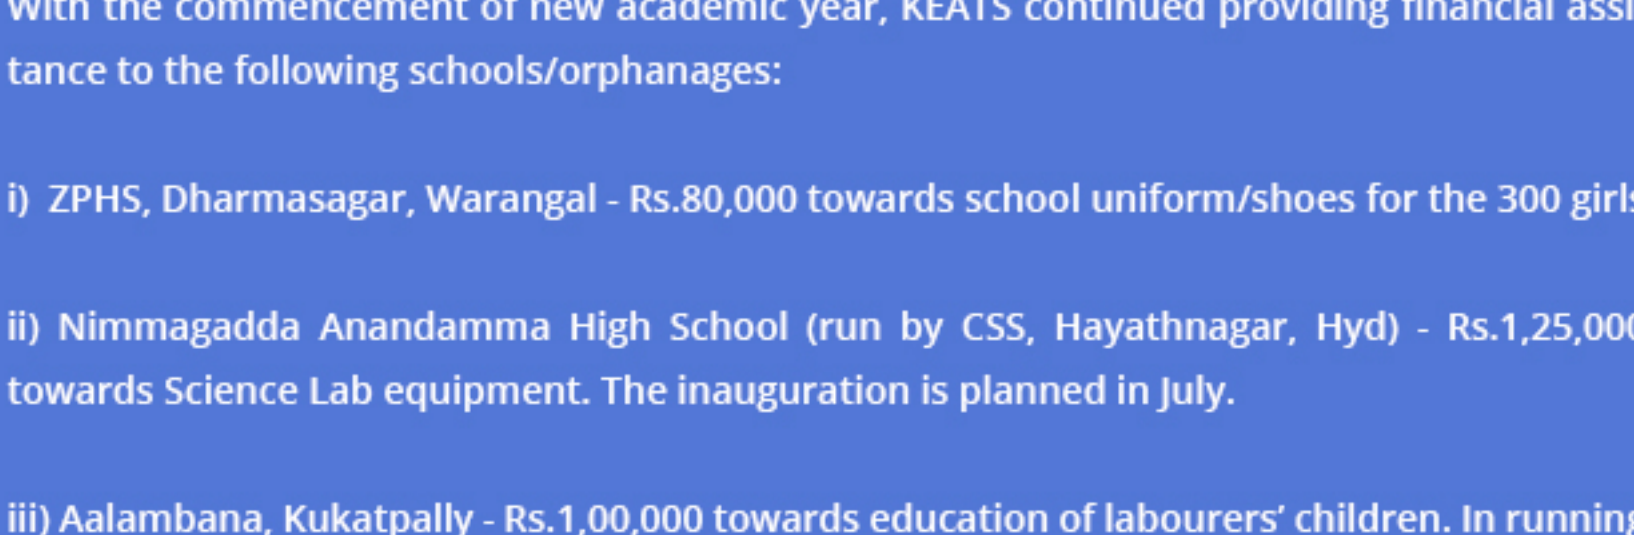

28 Intermediate students from various Gurukul schools were enrolled into the two courses:
i. Survey Assistant covering latest tools like DGPS, GPS and Total Station
ii. Construction Material QC Assistant covering Soils, Construction material, Water and Bitumen

The 6 week residential program was vigorous with classes starting from 6 AM and ending late in the evening. Our patrons T Ch Hanumanrao and G Kondalarao commenced the lectures and personally supervised the theoretical and practical aspects of the program. The facility at Sasi Engineering college was used to demonstrate some of the tests.

The program concluded with the distribution of certificates to the participants on 7th June. Due to the efforts of G Jagannadharao, MV Narasimharao, DV Bhavannarao and P Raghu Prasad apprenticeships were secured to all the trainees and some confirmed placements too. This gave us immense satisfaction. The offer letters were distributed by the Social Welfare Minister Sri P Viswaroop at Amaravathi on 12th June (see pic above). The entire program received wide publicity in print and electronic media. On behalf of KEATS I wholeheartedly thank all those involved in making the program a success and look forward to scale it up in future with your co-operation.

Best regards.
